Please include your child's name and team in the email. You may also go to [www.jiysc.com](http://www.jiysc.com) and click on the Volunteer Information tab to find out what positions need to be filled. As a non-profit entity, the income generated from the James Island Festival is critical to the operation of our Club, and your volunteer support directly affects the financial success of JYSC.

The Volunteer policy has changed from the Fall 2009 season. For those families who have not completed their volunteer requirements from the Fall season, you will be required to do so prior to the Spring 2010 registration being accepted. Beginning with the Spring 2010 season, each JYSC family will be required to fulfill four (4) hours of volunteer time per family (last season the requirement was 4 hours per child, up to 8 hours). Volunteer hours will be logged during each volunteer activity, and records kept by the Club's Volunteer Coordinator.

A volunteer waiver fee of \$100 (it was \$250 in the fall) may be paid if you are unable to commit to the necessary volunteer hours each season (the fall and spring are treated as separate seasons). Should you not

pay your volunteer fee, and subsequently not fulfill your family's volunteer hours during the current season, the waiver fee will be due prior to registration of your child/children for the following season.
